

IEMA Environmental Sustainability Skills for Managers

IEMA Environmental Sustainability Skills for Managers is one of a suite of courses, under the banner of Environmental Sustainability Skills for the Workplace, which is a new development programme aimed at non-environmental specialists. The aim of this two-day course is to support managers and supervisors in understanding the strategic and operational implications environmental sustainability has on them, their team and department, enabling them to contribute to the improved environmental sustainability of their organisation.

Date: Wednesday 25th and Thursday 26th September

Price - £450 per person + VAT

Delivery of this Course can be In-house OR at CH Training Centre
