

# Health and Safety Management for Construction

nebosh

LEARNING  
PARTNER

GOLD 744

The NEBOSH National Construction Certificate is aimed at Supervisors, Managers and safety professionals within the construction industry who are required to ensure that activities under their control are undertaken safely. It is likely to prove useful for those concerned with the management of buildings who may need to ensure that contractors are working safely. The qualification is also appropriate for supervisors and managers working in other industries such as utilities, and even broadcasting, where temporary workplaces are a feature of their activities.
